Dear Sir/Madam

Changes to Refuse Collection Routes - w/c 22nd October & w/c 12th November 2018

Further to the letter you received from Greg Gavin on 18th September regarding changes to refuse collection routes, our data confirms that **no properties** in your parish area will be affected by a collection date change.

It should be noted that for those households that do not experience a change in collection day, there may be a change to the usual time their bin is emptied and therefore it is important that as part of the wider communications activity all residents are reminded of the need to present their bins for collection by no later than 7am on collection day in order to minimise the risk of missed collections. None of these changes will impact on frequency of collections.

If you have any questions regarding the changes to refuse collection routes, then please do not hesitate to contact me.

Yours faithfully

Bob Hodgson
