Dear Colleague

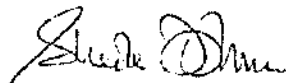

Household Waste Recovery Centres (HWRC) changes to opening days

Please find enclosed copies of our latest flyer. The council have made changes to the opening days of some of the household waste recovery centres (HWRC's) and would like as many residents as possible to know, prior to the introduction of the changes.

It would be most helpful if you would accept the enclosed copies, and if you could post them on your public noticeboards or circulate to your committees etc.

Please do not hesitate to contact me if you would like more copies of this flyer, or if you have any questions regarding this matter.

Yours sincerely

Sheila Johnson
Senior waste Management Officer
